Messrs. DeFord & Co.,

Gentlemen:

I am very desirous to obtain some data in relation to the amount and kind of money now in circulation in the Island of Porto Rico and have thought it possible that through your agencies in the Island, you might be able to obtain some data upon which to make an estimate.

It is desired to have an estimate of the amount of each kind entering into the circulation in the Islands, and the value at which they pass.

I will be under many obligations to you for any information you may be able to furnish.

Very truly yours,

Director of the Mint.
